

ED'S CANTINA

PARKING SUGGESTIONS:

We recommend parking in the following two lots, for easiest access to our restaurant & event space:

(You can reach us on either side of the building (Elkhorn Ave. or on the River Walk).)

★ **PARKING STRUCTURE:** Estes Park's new (& free) **Parking Garage** has ample parking and is a 5 minute walk along the river. Head into the tunnel under the highway for some local art & nature viewing.

★ **LIBRARY LOT & TOWN HALL:** Busier during the summer months, but also one of our larger public parking lots, this is also a great choice. Park here, (parking fees may apply) then cross the street at the light.
